Lane Closures for East Harrison Street Bridge Project, Jane Byrne Interchange Reconstruction

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will occur along the Dan Ryan Expressway (Interstate 90/94), weather permitting, starting at 10 p.m. on Monday, March 9. The closures are for the removal of beams for the East Harrison Street Bridge over the Dan Ryan Expressway, as this work is part of the ongoing Jane Byrne Interchange Improvement Project.

In order to complete the work, the following closures will occur:

- Starting at 10 p.m., the left lane will be closed on the inbound Dan Ryan from Canalport to Van Buren Avenue.
- The entrance ramp from Taylor Street will be closed from 10 p.m. to 5 a.m.
- At 11:59 p.m., the two left lanes of the inbound Dan Ryan will be closed until 5 a.m.
- There will be intermittent full closures of the inbound Dan Ryan at Taylor Street for no longer than 15 minutes between 1 a.m. and 5 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
